

Orlando FSDO FAA Safety Team presents:

# **Performance Plus Weight And Balance for Student and Private Pilots**

This classroom presentation will cover Performance and Weight and Balance as it applies to the Student Pilot knowledge test, as well as preparation for the oral part of the practical test. This presentation will also benefit Private Pilots who could use a refresher in regards to applying this material to everyday flying. All subject matter comes from the FAA's Pilot's Handbook of Aeronautical Knowledge (PHAK), Chapters 10 & 11.

**NOTE:** Please bring your Private Pilot Knowledge Test Supplement, if available, and an electronic or mechanical E6-B. Handouts will be provided at the program.

**Directions:** From St. John's Bluff Road, enter the Craig Airport main entrance. The Civil Air Patrol building is on the left just before Charles Lindberg Drive
